

# Travel Expense Claims Solution

Manage your company's travel expense claims more efficiently with a smart solution that has automated features like uploading receipts via photos/scans and automatic form filling. This not only saves time, reduces errors and prevents the loss of physical receipts, but also eliminates the requirement for physical travel to hand over receipts and documents, while also keeping confidential information and sensitive details secure.

Upload photos of travel receipts

Photos are scanned and travel claims forms are auto-filled

Did you know that a survey by a corporate travel management company found that 57% of business travellers feel stressed about submitting expense reports?

## Third Party Integrations

With Lucy, our no-code smart workplace design platform, this solution can seamlessly integrate with third-party products and software.
